District Grant # P-1547 Progress Report x Final Report

Rotary Club: Loveland Rotary Club

Project Title: RYLA Grant

Project Description:

1. Briefly describe the project. What was or will be done and where did or will the project activities take place? Explain how the beneficiaries and other community members were or will be involved?

An 11th or 12th grader from the Loveland general area was sent to RYLA camp because of this grant. Three of the four who were sent have reported back to the Club. All have been extremely excited and seem determined to use their RYLA experiences for the betterment of their future and the future of all with whom they come in contact.

The several Rotarians who were involved with the interview process of these students came away with a renewed optimistic view for the future of our country. All Rotarians who heard the one student speak in person were also so moved.

2. How many Rotarians participated in this project? (estimate if progress report) 5

3. What did or will they do? Please give at least two examples.

Five Rotarians interviewed the students. All members present had the opportunity to gain a renewed hope for the future. All member Rotarians have been involved somehow in the fund raising process for the other students who attended RYLA

11. What worked well on this project and why?

The Rocky Mtn Registrar is SO organized and has a very user friendly website, that it was simple for (old, non-techy) Rotarians to complete their part. All involved have that ‘feel-good’ feeling with their involvement.

12. What did not work well and how would you suggest improving it?

More Rotarians need to step up and get involved—spread the feel-good feelings.

13. How was this project publicized? Through the schools, teachers and home schoolers.

14. (Progress report only) What still remains to be completed on this project?
