

LETTER OF PARTICIPATION

September 10, 2012

At the July 18, 2012 board meeting of the Acacia Quilt Guild of Orange County, officers discussed cooperating again with the Buena Park's Rotary Club's project of providing fabric backpacks containing small books and other information for parents of newborns at local hospitals.

The officers in attendance that evening were in agreement that our guild could again contribute by sewing the bags. We have chosen a workday to sew the bags and can supply much of the fabric for the project.

We will continue to interact with the Buena Park Rotary through Beth Swift, who is an officer in both clubs.

Sincerely,

Phyllis Campbell

Phyllis Campbell, President
Acacia Quilt Guild of Orange County
