

District Grant Report 2017-2018

This report must be completed and uploaded on matchinggrants.org by June 1, 2018. If it is a progress report, a final report must be submitted no later than June 1, 2019 or 30 days after project completion, whichever comes first.

District Grant # P-1551 Progress Report Final Report

Rotary Club: Rotary Club of Laramie

Project Title: District Scholarship for Lago Atitlan Ecolatrine #2 Assessment

Project Description:

1. Briefly describe the project. What was or will be done and where did or will the project activities take place? Explain how the beneficiaries and other community members were or will be involved?

Rotary Club of Laramie is the lead club for a RI Global Grant to bring improved health to indigenous people of Tzunana, on the shore of Lake Atitlan, Guatemala through construction of 250 sustainable eco-latrines. Rotarians from sponsoring clubs, including Laramie and Cheyenne, WY conducted an evaluation of the project from March 15-19, 2017 in Guatemala. A University of Wyoming Rotaract student from the School of Pharmacy was awarded a District Scholarship of \$1000 to participate in travel and to conduct a sustainability assessment of the project during the trip and on return. This assessment was shared with the project leadership and local Rotary Clubs. The scholarship funds offset costs of the trip, airfare, lodging, travel insurance and report preparation.

2. How many Rotarians participated in this project? (estimate if progress report) 18
3. What did or will they do? Please give at least two examples.

The March 2017 observers met with members of the Guatemala City Rotary Club, members of the community, local Rotarians and members of an existing service organization, Todos Porel Lago, that is in charge of the Ecolatrine #2 project to evaluate

the project supported by the Global Grant. The scholar, Carson Hutchinson, completed the RI Sustainability Score for Global Grant Projects.

Observers interacted in depth with the community members fostering the service mission of Rotary.

4. How many non-Rotarians benefited from this project? (estimate if progress report)

Numerous! No exact number possible, Guatemalans in the hundreds are using the eco-latrines.

5. Who are the beneficiaries and what is or will be the expected long-term community impact of this project?

The Sustainability Score report is provided under the documents tab. The long-term community impact will be improved health from cleaner water. Further, compost from the latrines is supporting increase agricultural production.

6. If a cooperating organization was involved, what was their role?

The Guatemalan service organization, Todos Porel Lago, role is described in number 3 above.

7. Income:

Income Source	Amount
