

Sample Kids pack

- ✓ Oatmeal packet
- ✓ Individual cereal box
- ✓ granola bar
- ✓ Apple sauce
- ✓ raisin box
- ✓ pudding snack
- ✓ cup of soup
- ✓ top ramen

Total is approximately \$1.50 per child, per week.

If you assume there are (60) kids, this equals \$90 per week, or \$3,330 for a 37-week school year.

If you assume there are (90) kids, this equals \$135 per week, or \$4,995 for a 37-week school year.

We have prices for other items so we can vary what is given each week.

Note this fact: If you add .20 per child and assume (90) kids, that adds \$666 per school year to the cost.

Sample Family pack option

Once per month we provide each family with (1) bag of rice and (1) bag of beans.

If you assume there are (30) families, this equals \$60 per month, or \$540 for 9 months (1 school year).

If you assume there are (60) families, this equals \$120 per month, or \$1,080 for 9 months (1 school year).

We could switch out rice and beans for pasta and pasta sauce. The cost would be about the same, but rice and beans provides more servings.

Total cost of program

Assuming (60) kids and (30) families- \$3,870 per year.

Assuming (90) kids and (60) families- \$6,075 per year.

District can match however much money our club decides to contribute, up to \$1,500.
