Re: AYUDA dental clinic at Valencia Park Elementary School, May 18, 2013

Sponsor: Fullerton Rotary Club

Cost: \$2,000.

Value of work performed: \$43,310

Discussion:

We treated a total of 98 patients. 103 patients registered but 5 patients did not turn in their records. We had 72 volunteer students from USC and there were 6 dentists and faculty monitoring all work performed. As usual Pam Keller provided the excellent breakfast and lunch served the volunteers. Minard Duncan was in attendance supporting the students and patients representing your Rotary Club. This was one of the most efficient clinics we have had in 20 plus years working with Fullerton Rotary. Thank you all for your support in providing this needed service to your underserved Fullerton elementary students.

Yours Sincerely,
