

### **Friday Food Bag Foundation**

The goal of the Friday Food Bag Foundation is to provide ready to eat meals to help school aged children with a bag of food on Fridays to help their dietary needs through weekends. In addition to financial support, volunteers are needed to fill bags each Wednesday, which Rotarians of the Rotary Club of Cheyenne will participate in.

In November 2017 the Rotary Club of Cheyenne presented a \$2000.00 check to the Friday Food Bag Foundation. In addition to financial support, numerous Rotarians have participated in the filling of Friday Food Bags through the course of the 2017-18 school year.
