

Dear Don,

First let me again thank you and the Noon Rotarians for the grant of \$2,000 we received in Nov 2017.

The funds received were spent as follows:

\$1,950.00 was spent for food, non perishable items, that were distributed to various schools within the Laramie County School District.

\$50.00 was deposited to the Friday Food Bag Foundation Endowment account in hope of building a fund that can eventually sustain the programs future needs.

I am attaching a copy of our 2017 financial overview. It shows our revenues and expenditures for 2017 and a schedule of grants received for your information and as support for my above statements. Please let me know if you have questions or require additional information.

Sincerely,

Ron Weickum, Treasurer.
