Project Description

1. Briefly describe the project. What was done (in 100 words or less)?

For years, Laughlin Rotary and the local schools have been looking for solutions to the issue of "Bullying." Fashioned after the Peoria Peace Project, the Laughlin Rotary Club initiated the idea of a similar project on the campus of Laughlin Jr/Sr High school to bring awareness to our youth through bricks and benches. With the support of school officials, the quiet and peaceful setting of park benches, flower garden and messages of peace and lasting friendship became a reality. It's a place to talk and solve. When (dates) and where (city, state and country) did project activities take place?

November 2017 through May 2018 ~ Laughlin, Nevada, USA

Who were the beneficiaries?

2. How *many* Rotarians participated in the project? 9 of 9

3. What did they do? Please give at least two examples.

Obtain the support and approval from the school;, pick the site, design the project, write the grant application, seek bids, purchase materials, wheelbarrow the concrete, lay the deck, build the planter and complete the details. Will prepare the dedication ceremony for the fall when school is back in session from summer break.

4. How *many* non-Rotarians benefited from this project? 300 yearly

5. What are the expected long-term community impacts of the project?

That the students will take "ownership" of this respected place on campus where peace is explored by individuals or groups and the concept can be included in the school orientation, curriculum and discipline programs. In addition, to insure a long-term tradition of providing a space to explore peace and reduce the incidence of student bullying and self-harm..
