

District Grant Report

Rotary Club: Villa Park/ Orange North

Project Title: MakerSpace in Villa Park Elementary

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
 Had numerous meeting with school to understand need. School has no programs or equipment to help children learn of different vocations such as other schools. Ordered items from various sources. On October 1st, 2017 members from both clubs came together to install and build items ordered. Makerspace has been fully running from that point and now has over 100 students daily coming to learn.

2. How many Rotarians participated in the project? 15

3. What did they do? Please give at least two examples.

- Build work tables and stools
- Build sowing station
- Install dry erase board
- Assemble various storage shelves
- Test computers, tables, printers and various tools

4. How many non-Rotarians benefited from this project? over 100 students and 30 faculty and growing

5. What are the expected long-term community impacts of the project?

Students will be better equipt with learnings when moving on to different grades
 Motivated other non-profits like the Villa Park Dad's club to continue its growth

6. If a cooperating organization was involved, what was its role?

Villa Park Dad's club came to help with installation and volunteers with education
