Dear Dean:

I want to thank you for all of your effort working with Rotary International to partner with the Sun City Rotary and the Sun City PRIDES in our Desert Canopy Project. The gifts we received today in the amount of \$1,500 brings the total amount from Sun City Rotary and Rotary International to \$2,500. Many trees will be planted in Sun City because of the generosity of your clubs.

PRIDES and Rotarians—two service organizations dedicated to serving others. Working together on this project is just a part of what makes Sun City a great place to live.

Sincerely,
