District Grant Final Report

District 5390

2017-18

Rotary Club: Bigfork

Project Title: Makin' Music

The District Grant Final Report is due within 30 days following the completion of the project.

Project Description

1. Project Start Date: 09-01-2017

2. Project Completion Date: 03-10-2018

3. Describe the project and list any changes that might have occurred:

Purchased band instruments for Bigfork Schools to have in their instrument inventory for use by students who cannot afford to purchase or rent their own instruments.

4. How many community members were impacted? Provide specifics to explain the scope of community impact and the unmet need(s) this project addressed:

Approximately 130 children at Bigfork Schools are in band. About half use the school inventory.

5. If some other funding was used please give additional details on this source of funding:

\$5000 was contributed by the Bigfork Rotary Foundation.
\$5000 was contributed by a member of the Rotary Club of Bigfork.
\$4907 was raised through our club's fundraising through a movie night.

6. How was Rotary identified at the project site?

On each instrument a small engraved plate is being placed noting the "Instrument provided by Bigfork Rotary Foundation." These plates will be put on within the next couple of weeks. I am arranging this with the band teacher. I expect a couple students might help with this.

7. Provide # of Rotarians/volunteer-hours and in-kind donations. Give examples of how Rotarians directly participated in this project:

Our club sponsored a movie night at the Bigfork Performing Arts Center showing the movie August Rush with most of our membership attending and volunteering in some capacity. A special guest was included in the event via Skype from Seattle who was a renowned guitar player featured in the movie. The evening included a dessert extravaganza that were provided by Rotarians in our club. The Bigfork H.S. pep band came to the theater and opened the show with several songs and the band teacher explained the need to the audience. Rotarians will be attending the April 10 2018 band
