Dear Chief Scarber:

Thank you for your generosity in providing two \$1,000.00 scholarships to NPC students this past year. Per your request, we notified a second scholar, Sadie Renee Miller, and she accepted her \$1,000.00 scholarship award on June 29, 2018 via email. After confirming that she is registered full-time for Fall 2018, I have sent a check in this amount to the NPC Business Office, and they will apply it to Sadie's student account.

I know that you and your group are aware that financial barriers are the greatest challenge NPC students face on the path to a post-secondary degree, but I must tell you that the scholarships you have provided really are life-changing. For your records, NPC Friends and Family is a 501-c-3 non-profit, EIN# 86-0478757.

Please extend my sincere thanks to your group. This is a wonderful gift to our students, and it will make a true difference in the lives of those who really need it!

Sincerely,

Betsyann Wilson, Executive Director
