Projected Completion Date:

Provide a specific and detailed project description. This description will be used by the District Grant Selection Committee. Include the scope of Community impact and the unmet need (s) this project will address. Clearly state Rotarian involvement. (Add as an attachment if necessary)

The project will provide six 5-foot garden benches, two 12-foot trellis structures, two 6-foot trellis structures, landscaping - including plants, irrigation, rock, curbing, mulch, signage - within the 6th Ward Garden Park. The City of Helena Parks Project is part of a larger renewal of a once blighted neighborhood. As initial elements of the Park have been installed, there is a need for shaded resting places. A Rotary member provided architectural services in the design. Rotary members have attended planning meetings and sought support for the project from the community-at-large. Members will aid in installation.

Provide a 50-word summary that describes the project and benefit to the Community. This is required by Rotary International (RI) and will be used when the District submits this grant request to RI. Be very concise and specific. (Add as an attachment if necessary)

The Project provides trellises, benches, landscaping, and signage within Helena's 6th Ward Garden Park. The City project is part of a larger renewal to a once blighted neighborhood. With design elements laid out, initial plantings made, walkways built, and playground equipment installed, there is need for shaded resting places.
