Mr. J. Patrick Benton
Rotary Club of Naperville Downtown
PO Box 5336
Naperville, IL 60567-5336

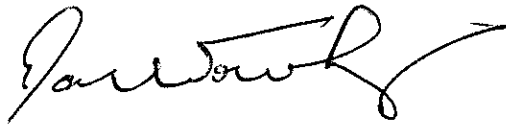

Dear Pat:

Thank you for your generous support of the Rotary - Naperville Downtown Scholarship. Your support of student scholarships, not only gives them access to education, but opens the door to a world of opportunities for their future. Students frequently tell us scholarships create much more than financial assistance and freedom from worry; the knowledge that others support them both builds their self-confidence and encourages them to succeed. Your investment in College of DuPage students is truly an investment in our community.

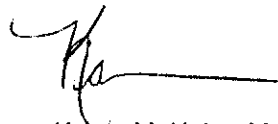

Your gift is vital to help continue to build the resources necessary to address the needs of our students. Thanks to you, their journey will be smoother. Whether a scholarship means the opportunity to participate in challenge classes, learn from industry professionals, apply knowledge in a hands-on learning environment, or cultivate a new interest or skill, donors like you bring students' personal and professional aspirations within reach.

Pat, thank you again for your generosity. College of DuPage Foundation is proud to support students through scholarships, and is grateful for your belief that the college will continue to change lives. Thank you for your investment in the future; for making a significant impact on student success and academic excellence.

Sincerely,

Earl E. Dowling
Vice President, Institutional Advancement

Karen M. Kuhn, M.S., CFRE
Assistant Vice President, Development

*P.S. Did you know that it is possible to **make your gift go twice as far**? You can if your employer matches employee giving. Consider participating and multiply the impact of your giving today!*
