Rotary Foundation District Grant Final Report

Deadline for submission: April 1, 2018

Must be filed electronically on: <http://www.matchinggrants.org/district/>

Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #): P-1867
2. Name of District Grant: Rotary Model United Nations Program
3. Briefly describe the grant and list any changes that might have occurred (100 words or less).

The Del Mar-Solana Beach Rotary Club applied its \$750 in DDF monies to the \$750 registration fee for the one of the teams from Instituto Mexico Americano Noroest (IMAN), Mexico to participate in our Rotary MUN Conference this year. The San Diego Coastal Rotary Club applied its \$750 in DDF monies to the \$750 registration fee for one of the Mexican teams to participate in our Rotary Model UN Conference this year. The La Jolla Golden Triangle Rotary Club applied its \$750 in DDF monies to the \$750 registration fee for the second IMAN team to participate in our Rotary Model UN Conference this year. To comply with the DDF grant requirements, each of our Rotary Clubs sponsored at least one (1) local high school team and paid its \$750 registration fee for each of those teams to participate in our Rotary Model UN Conference this year. In fact, the La Jolla Golden Triangle Club sponsored 3 teams this year. This exceeds the DDF grant matching funds requirement. Please see the letters from each of our Rotary Clubs that are posted to the District Matching Grants site in conjunction with this Final Report that confirm these facts.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

The DDF grant allowed more international teams to participate in our 2018 Model UN Conference. Since these international teams also need to pay for their transportation costs to come to San Diego for the MUN Conference, many of them would not be able to afford the \$750 registration fee. In addition, we were very impressed with the performances of the two IMAN, Mexico teams and the other Mexican team. The rest of the students really love meeting and making friends with students from other countries. The continued participation of international teams to our Rotary Model UN Conference makes it truly an international premiere event. It also continues to spark the interest of a growing number of US and Central American Rotarians to bring more international teams to our 2019 Rotary Model UN Conference! We would greatly appreciate the opportunity to apply for another DDF grant for the 2018-19 year to help facilitate these additional international teams participating in our MUN next year.

5. How has your Club or community been impacted by this grant?
(Check all that apply)

Involvement of Rotarians in our Club in humanitarian grants has increased.

- Our Club's international Rotary networks have been strengthened.
- Annual giving to the Rotary Foundation in our Club has increased.
- Club membership has increased.
- Our Club's awareness of the needs in our community has increased.
- Participation in a District Grant has not changed our Club in any significant way
- Others: In light of the growing international presence of students from other countries attending our Model UN Conference, other Rotarians are expressing interest in trying to bring teams from other countries to our 2019 Model UN Conference. I also persuaded one of my club's members, who is originally from India, to be the advisor for our Canyon Crest Academy MUN team. I also spoke with many other business colleagues and community members whom I invited to attend/observe our MUN Conference about Rotary youth programs and potential membership in our club.

6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them.

Everything was very smooth. Thank you very much!

5. Financial Summary

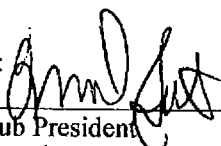

Amount of District Grant funds received: \$2,250.00
 Amount of Club funds used in grant: \$2,250.00
 Amount of other funds used in grant: 0

Total \$4,500.00

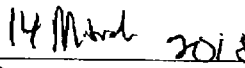

6. Receipts and Financial statements

Please include all invoices and receipts in electronic format to your web page on the District Grants web page: <http://www.matchinggrants.org/district/>

Re: **DDF Grant Project P-1867**

Dear Marta,

Under the above-referenced DDF grant, we received a total of \$2250. This was distributed by the District as follows: \$750 to the Del Mar-Solana Beach Rotary Club (DMSB); \$750 to the La Jolla Golden Triangle Rotary Club (LJGT); and \$750 to the San Diego Coastal Rotary Club (SDC).

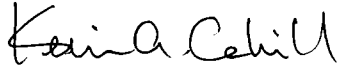

As chair of the District 5340 Model UN Program, I received \$750 in DDF funds from DMSB, \$750 in DDF funds from LJGT and \$750 in DDF funds from SDC. I applied DMSB's \$750 to pay for the registration fee for one of the Instituto Mexico Americano Noroest (IMAN), Mexico teams to participate in our Rotary Model UN Conference on April 7-8, 2018. I applied LJGT's \$750 to pay for the registration fee for the other IMAN team to participate in our Rotary Model UN Conference. I applied SDC's \$750 to pay for the registration fee for one of our Mexican teams to participate in our Rotary Model UN Conference.

To comply with the DDF grant requirements to match the DDF funds of \$2250, DMSB, LJGT and SDC each sponsored at least one (1) local high school team and additionally paid the \$750 registration fee for those local teams to participate in our Rotary Model UN Conference this year. I confirm that as Chair of the District 5340 Model UN Program, I received \$750 from DMSB to sponsor 1 team from Canyon Crest Academy, at least \$750 from LJGT to sponsor 1 team from the Preuss School, and \$750 from SDC to sponsor 1 team from Mexico, for a total of \$2250. In fact, I received more than \$2250 from these 3 Rotary Clubs as LJGT sponsored 3 local MUN teams this year. This exceeds the DDF grant matching funds requirement. Please

see the letters from each of our Rotary Clubs that are posted to the District Matching Grants site in conjunction with the Final Report that confirm these facts.

I trust that this suffices to confirm the amounts received from each Rotary Club and that all 3 DDF grantee Rotary Clubs complied with the DDF grant requirements. If you have any further questions, please feel free to call me. Thank you very much.

Sincerely,

Re: **Rotary Model UN Conference- 2018**
Project P-1867

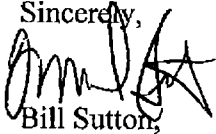

Dear Marilyn and Marta,

This will confirm that the Del Mar-Solana Beach Rotary Club sponsored this year a team from Canyon Crest Academy to the 2018 Rotary Model UN Conference that will take place on April 7-8, 2018. We further confirm that we paid \$750 in registration fees for this team to Rotary District 5340 earlier this year out of our Club's internal funds.

As part of the DDF grant, we were required to pay \$750 for one team in order to receive the District's DDF matching funds of \$750. As shown above, we satisfied that matching requirement. We then applied the District's DDF monies to pay the registration fee for the Model UN team from Instituto Mexico Americano Noroest, in Mexico.

If you have any questions, please contact me.

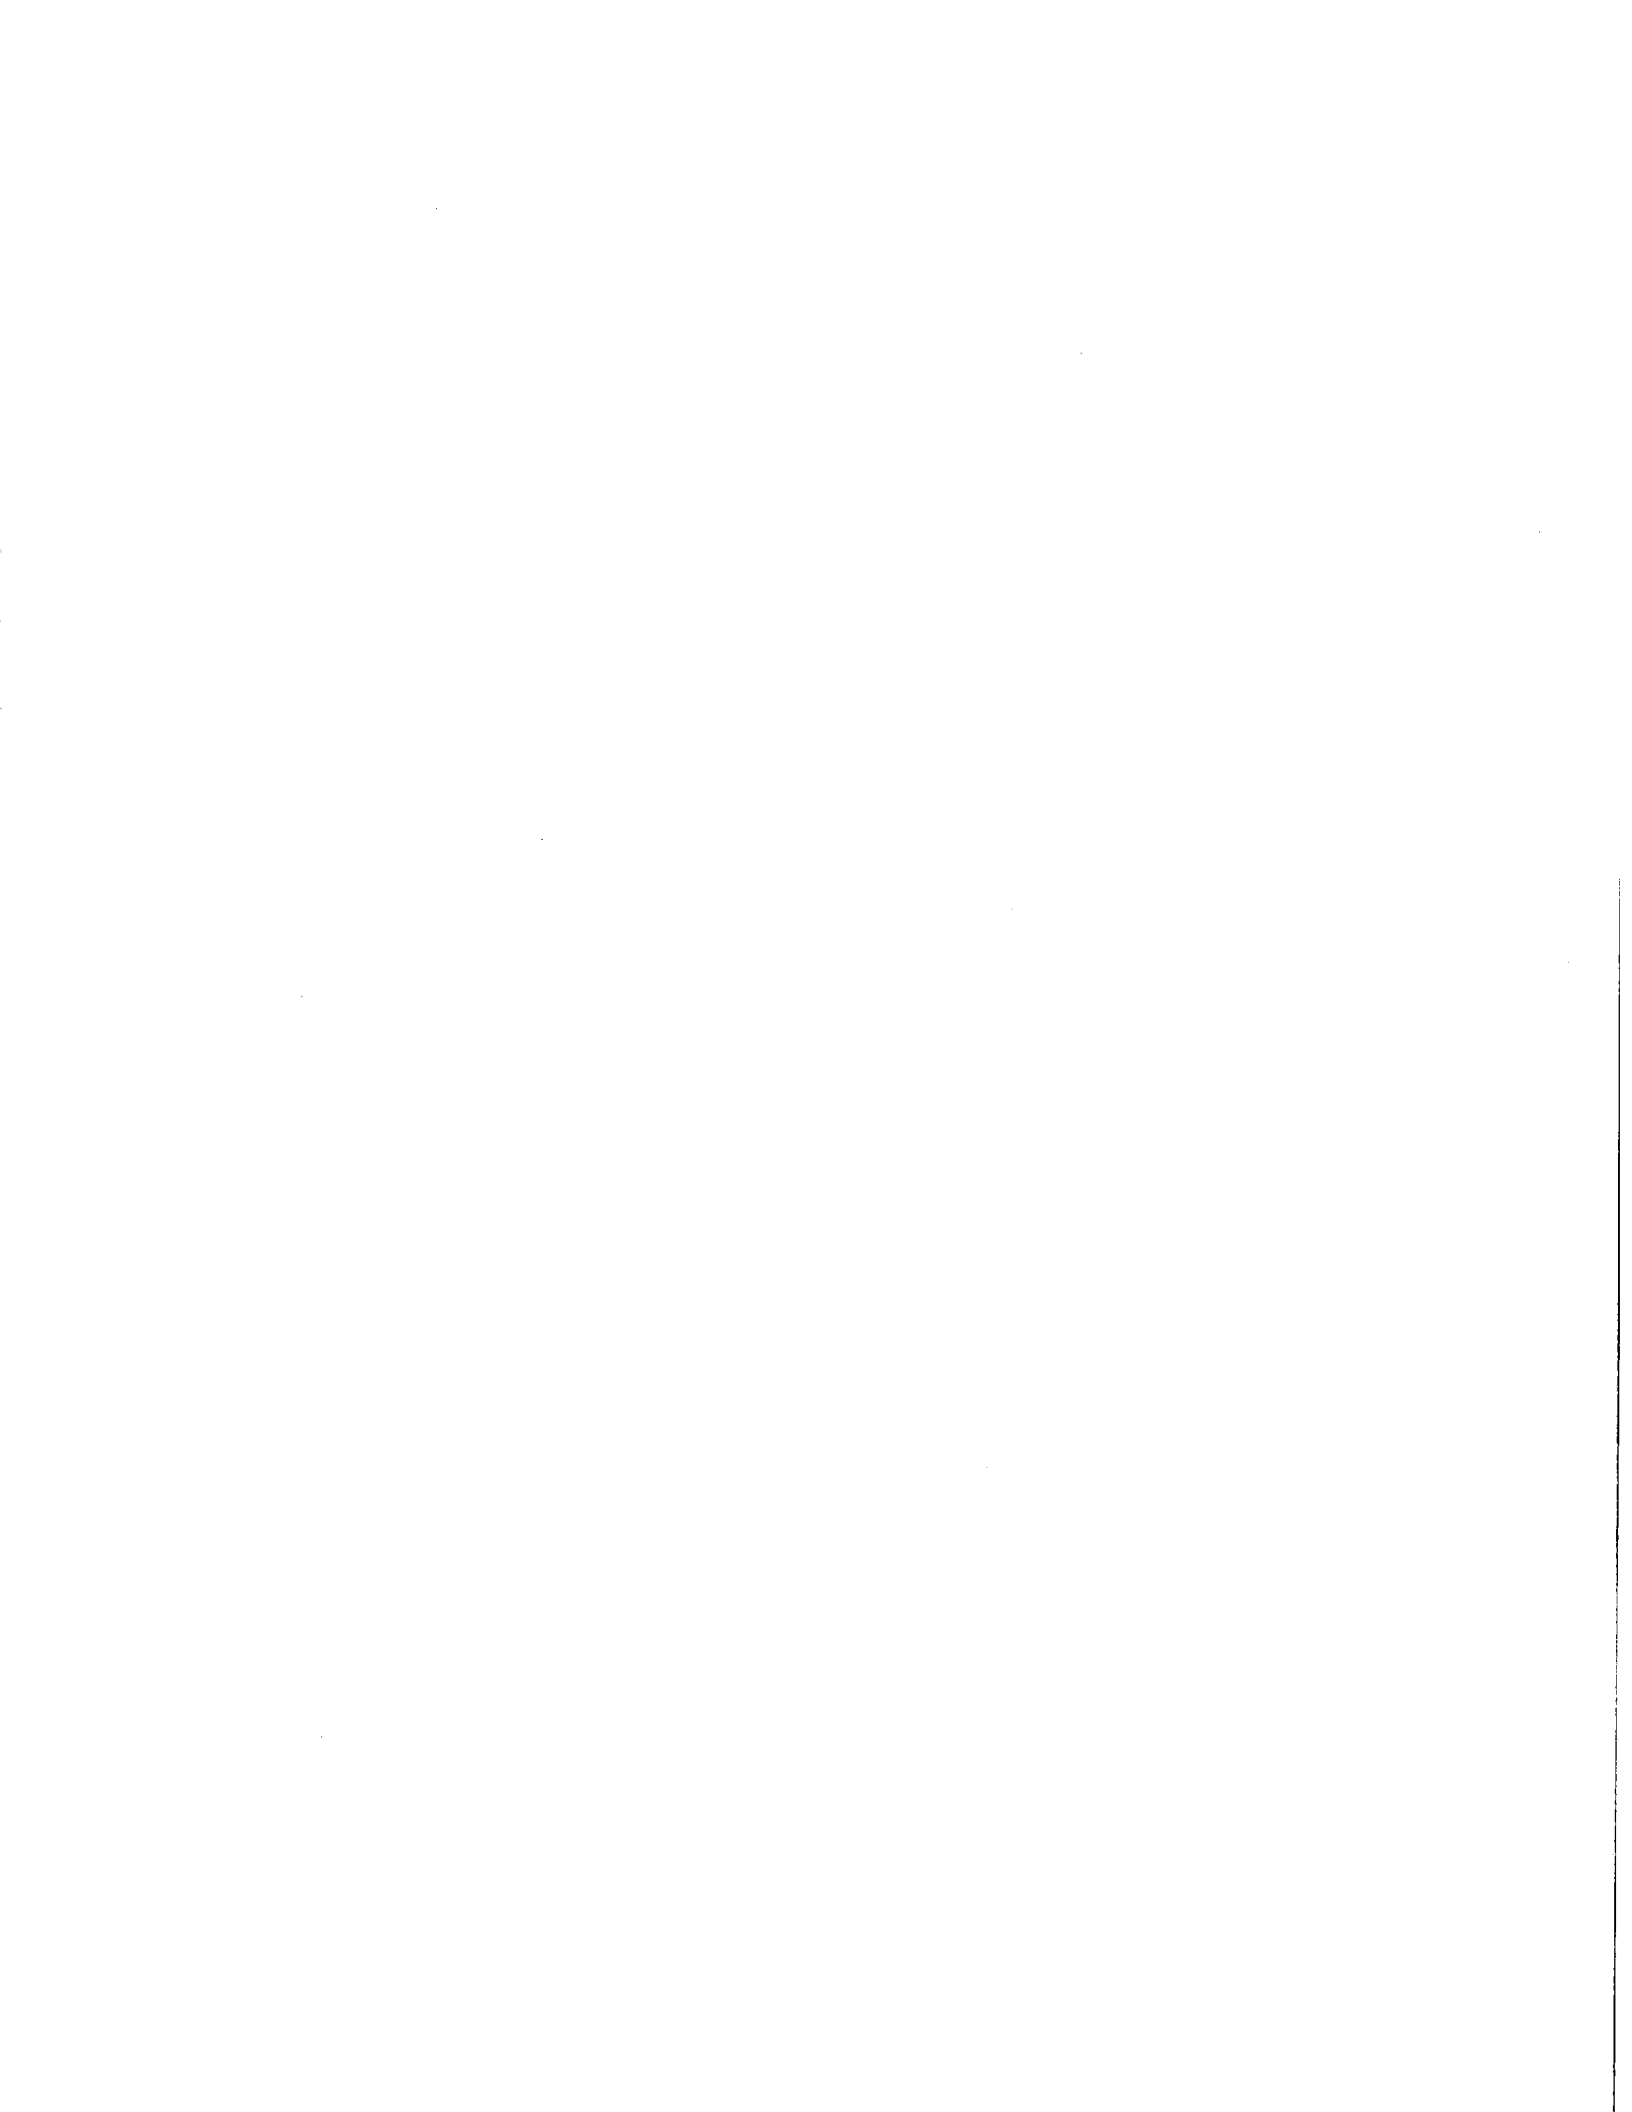

Sincerely,

Bill Sutton,

President

Re: **Rotary Model UN Conference- 2018**
Project P-1867

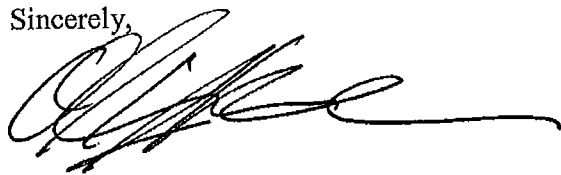

Dear Marilyn and Marta,

This will confirm that the La Jolla Golden Triangle Rotary Club sponsored three (3) San Diego teams this year to the 2018 Rotary Model UN Conference that will take place on April 7-8, 2018: two from The Preuss School/UCSD and one from University City High School. We further confirm that we paid \$2250 in registration fees (\$750 per team) for these three teams to Rotary District 5340 earlier this year out of our Club's internal funds.

As part of the DDF grant, we were only required to pay \$750 for one team in order to receive the District's DDF matching funds of \$750, which we applied to pay the registration fee for a second Model UN team from Instituto Mexico Americano Noroest, Mexico. As indicated above, we not only satisfied, but also exceeded our DDF matching requirement.

If you have any questions, please contact me.

Sincerely,

President
