Project Title: La Familia Classroom Updates

### Project Description:

---

1. Briefly describe the project. What was or will be done and where did or will the project activities take place? Explain how the beneficiaries and other community members were or will be involved?

Several of the children's classrooms at La Familia were in need of a refresh: cleaning, painting, etc. These classrooms are used for Early Childhood Education and Youth Enrichment Programs. We prepped the classrooms and painted. We coordinated with the Volunteer Coordinator for the center. Teachers and other volunteers moved all the furniture, and removed things from the walls before we started prep. The center connected us with the Kiwanis and sent some volunteers to help, along with Family center volunteers.

2. How many Rotarians participated in this project? (estimate if progress report) 20

3. What did or will they do? Please give at least two examples.  
Several helped with determining the amount of work hours, paint and supply quantities, and then purchase of materials.

Then for the paint, we had 11 volunteers first night, 14 volunteers for the morning shift, and 7 volunteers for afternoon shift.

4. How many non-Rotarians benefited from this project? (estimate if progress report) \_\_\_\_\_

6 teachers, plus numerous children, 10-20 per classroom (we painted 3 large classrooms), depending on schedule. Once classroom is also used for summer enrichment program.

5. Who are the beneficiaries and what is or will be the expected long-term community impact of this project?

The Family Center provides quality early childhood learning programs. They offer numerous scholarships for their programs because their primary clientele are lower income families. Grants and donations provide funds for the scholarships.

6. If a cooperating organization was involved, what was their role?

None, just the benefiting organization.

Coordinating with other groups, we had Satellite members of our club along with lunch members, Rotary After Work members, and some Kiwanis.

 We initially overestimated what we thought we could do. After having some professional contractors who are club members evaluate the work required and the time and volunteers we had, we scaled down what we wanted to accomplish.
