Dear Dr. Miles,

On behalf of over 700 people we serve each day, we thank you for your support of Meals-on-Wheels. Your gift toward the kitchen campaign will allow for growth, expansion and outreach that will ensure the future of Meals-on-Wheels by meeting the needs of our community far into the future.

The Rotary International District 5790 grant of \$9,500 will be used to purchase three warming cabinets and small wares for our kitchen, which will help provide nutritious meals and security for our homebound elderly neighbors for years to come. We are grateful for the Rotary's support of Meals-on-Wheels, and for this combined effort among the clubs of Johnson County to support the kitchen.

More than ever before, those we serve face economic and physical challenges, live more isolated, and depend on us to help them remain independent. Your support will make an incredible difference in the lives of our seniors, and for that, you have our sincerest gratitude.

Best regards,

Vinsen Faris
