Hi Dick

Attached are the expenses for my India trip. Please note that I had purchased a round trip tickets from Hyderabad to Chicago but then my mother-in-law was not doing well, so I had to purchase an earlier return ticket home. Luckily I came back when I did as my one year old grandson was hospitalized with pneumonia from the flu (he had that strain that was not covered by the vaccine that killed so many young children - he is doing well).

The round trip ticket was \$2965.27 of which only \$1482.63 was used for the trip there (still waiting for my refund back from JustFly). And my one way ticket home was 61528 rupees which translated to \$923.57.

So the actual amount spent on airfare was \$923.57 plus \$1482.63 for a total of \$2406.20

Receipts are attached.

Let me know if you have any questions.

Thank you!

Pat
