

Rotary District 5390 District Grant Application

Your club must have an approved/qualified status from the District Stewardship Committee prior to submitting this District Grant Application

Grant Applications for the upcoming Rotary Year are due by March 31st
Please submit to the District Grant Selection Committee

Sponsoring Rotary Club:

If other Rotary clubs are involved in the project, please list:

Project Title:

Project Start Date: Projected Completion Date:

Provide a specific and detailed project description. This description will be used by the District Grant Selection Committee. Include the scope of Community impact and the unmet need (s) this project will address. Clearly state Rotarian involvement. (Add as an attachment if necessary)

Northwest Montana Veterans Food Pantry has been an integral part of the Evergreen Community since February 22, 2005 and it was started in a shed in the middle of Evergreen by a local couple, Allen and Linda Erickson. After yard sales in the neighborhood, they started to collect what was left over and dedicate a weekend to serving local veterans thru their Stand Down Event. The Pantry has expanded to include not only the veterans and their families, the outreach includes the community. The technology that the pantry has is obsolete. We would like to purchase upgraded computers, software, printers, supplies, and a scanner that can be used to check out medical equipment to the community. Further, with instruction from our group as well as resources outside Rotary, we are going to commit to assisting with job search, resume building, interviewing and dressing to get the employment they need to support themselves, their families and their communities.

Provide a 50-word summary that describes the project and benefit to the Community. This is required by Rotary International (RI) and will be used when the District submits this grant request to RI. Be very concise and specific. (Add as an attachment if necessary)

Northwest MT Veterans Food Pantry outreach includes veterans, their families and non veterans alike. No one is turned away who needs food, clothing, shelter and a helping hand. Evergreen is a community that is growing and because it is primarily a lower income area the need is great. By supporting with updated technology that outreach can include job search and resume building as well as medical equipment checkout and inventory tracking.

Your project goals will align with which Area of Focus: (Please Circle One only)
