

Rotary District 5390 District Grant Application

Your club must have an approved/qualified status from the District Stewardship Committee prior to submitting this District Grant Application

Grant Applications for the upcoming Rotary Year are due by March 31st

Please submit to the District Grant Selection Committee

Sponsoring Rotary Club:

If other Rotary clubs are involved in the project, please list:

Project Title:

Project Start Date:

Projected Completion Date:

Provide a specific and detailed project description. This description will be used by the District Grant Selection Committee. Include the scope of Community impact and the unmet need (s) this project will address. Clearly state Rotarian involvement. (Add as an attachment if necessary)

Install one emergency 911 call box in the Gallatin Canyon Highway 191 corridor at the parking turn-out at "35 mph bridge". This roughly 20 mile section of highway is not in cell range, and is a dangerous, highly trafficked mountain road with many accidents and fatalities. Rotarians will be working closely with 3 Rivers Communications to prepare site and clear debris and brush, install sign posts, and provide any needed manpower and organization. Please see attachment for additional information.

Provide a 50-word summary that describes the project and benefit to the Community. This is required by Rotary International (RI) and will be used when the District submits this grant request to RI. Be very concise and specific. (Add as an attachment if necessary)

Install one emergency 911 call box in the dangerous Gallatin Canyon Highway 191 corridor at the parking turn-out for "35 mph bridge". Due to lack of cell coverage, 911 call boxes help the public report accidents and emergencies quickly, saving precious minutes for emergency services response. The "35 mph bridge" parking turn-out is heavily used by recreational boaters, commercial rafting companies, hikers, climbers and the fishing community. Please see attachment for additional information. This project aligns with Economic & Community Dev.

Your project goals will align with which Area of Focus: (Please Circle One only)
