District Grant Final Report 2018-2019

This report must be completed and uploaded on matchinggrants.org within 30 days after completion of the project but no later than 2 years after the date of approval of the project.

District Grant # P-1993

Rotary Club: The Rotary Club of Estes Park

Project Title: Welcome to the USA, Part 2

Project Description:

1. Briefly describe the project. What was done and where did the project activities take place? Explain how the beneficiaries and other community members were involved?

The Estes Valley Library initiated the Welcome to the USA program in 2016. The stated mission is "New immigrants will have information on citizenship, English language learning, employment, public schooling, health and safety, available social services, and any other topics that they need to participate successfully in American life". The current services for immigrants provided by/at the Estes Valley Library include:

- English tutoring program
- English Conversation Cafe
- Citizenship Classes
- Plaza Comunitaria - a program for Spanish speakers to complete primary and middle school education

The iPads and related materials purchased with this grant provide the learning tools needed when the immigrant community members are not able to attend classes or individual tutoring sessions. The educational kits are available for checkout at the Estes Valley Library and include everything a student needs to practice English and study for the Citizenship Exam.

2. How many Rotarians participated in this project? **Not applicable**
3. What did they do? Please give at least two examples.

11. Did you upload photos in your project on matchinggrants.org under the Photos tab? (If not, please do so) **Photo of educational kits is included with final report.**
12. What worked well on this project and why? **This project helps support a critical need for the Estes Valley immigrant community who desire to learn English and obtain citizenship. Having access to the iPads provides learning opportunities for students who cannot attend classes and tutoring sessions.**
13. What did not work well and how would you suggest improving it?
14. How was this project publicized? **This project was publicized in local newspapers and on the Estes Valley Library website.**
