

**Water and Sanitation Global Grant 17-57675 in the  
Bolgatanga Municipal District of the Upper East Region of Ghana**

**Who will own the items purchased with grant funds at the end of the project, including equipment, assets, and materials? Note that items cannot be owned by a Rotary club or Rotarian.**

All equipment will be owned by the local community, school or hospital that we are serving. None of the items will be owned by a Rotary club or Rotarian.

**H. FUNDING**

Additional Outside Funding			\$0	
<b>Total Project Financing (must equal budget)</b>		<b>\$189,800</b>		

**Have you identified a local funding source to ensure long-term project outcomes? Will you introduce practices to help generate income for ongoing project funding?** The local communities with new boreholes and small town water systems will be encouraged to charge for each bucket of water or by the month for the right to access the water. In fact, we expect each community to have a bank account with the deposit of funds before we drill the borehole.
