Hi, Fred:

Would it make things easier if I filled out the District Grant Application and used the Prescott Rotary Club as the sponsor of the grant?

This is Kevin Pitts' Rotary Club, and they have been an essential and invaluable partner with our Interact District on our Interact Crutches 4 Africa Project. They are using their Prescott Rotary Club Foundation as a conduit for individual contributions to the Interact C4A Project, enabling contributors to gain tax deductibility for their donations — including receipting the gifts to the contributors. So I am quite certain they would be willing to sign off on this grant application. Kevin Pitts is also serving as one of the Interact Ambassadors to Kenya adult advisors who will be traveling with the group of Interactors this summer, helping to distribute the mobility devices the Interact clubs have collected and shipped to our partners in that country.

To all,

This weekend I will send out an email to Art requesting the information I need to set up the project in matchinggrants.org.

I will use Art's club as the sponsoring club, but they will not have to sign.

Art, Nancy, Jim and me will be signatories.

It is a little awkward but we can get it done.

Subject: \$1000 DDF to Crutches for Africa Project

Importance: High

Dear Fred,

I've spoken with Art Harrington, Youth Services Chair, and pledged \$1,000 from this year's DDF to Crutches for Africa for the shipment of assistive devices to be delivered by our District's Rotary Youth Ambassadors this summer. Will you and Art please work together to set this up as a District Matching Grant or simply a District grant without a match? (in other words, just please make sure that C4A gets \$1,000). Art does have a sponsoring club in mind and also backup paperwork if a match is needed.

I had planned to provide Art with a form to describe the project, etc. so he could submit it to you, but cannot locate a blank form. I did look on Matchinggrants.org but didn't see one. Can you please with Art so he can provide whatever information you need?

Please let me know if there is anything you need from me.

Thank you both so much for your dedication to Rotary and our District!

Nancy Van Pelt

2017-18 Governor AZ Rotary District 5495
