# Cyclone Idai Hits Mozambique

- o On March 14th, 2019 Cyclone Idai hit Beira directly destroying 90% of the town and unfortunately the school we built as well. The loss of life is already exceeding 843 people. Cyclone Kenneth also hit the north of Mozambique on April 29th, 219 in Pemba and hit the literacy classroom we had set up there as well. We are already in the process of rebuilding, but it will be a long road ahead. Our staff computers were ruined so some of the graduation pictures weren't saved.
