**Project Title**        Dictionary Project    

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.**

On Tuesday, October 23, 2018 the Bolingbrook Rotary Club visited 10 of the elementary schools in Bolingbrook and delivered dictionaries to all the 3<sup>rd</sup> grade students.

- How many Rotarians participated in the project?**

21

- What did they do? Please give at least 2 examples.**

Our Rotarians went into each 3rd Grade class room and presented the students with their very own dictionary and asked them to look up the word “service”. We then took a moment to discuss the Rotary motto “Service Above Self” and different ways they could live this way.

- How many non-Rotarians benefitted from this project?**

713 3<sup>rd</sup> grade students

- What are the expected long-term community impacts of the project?**

The students that received these dictionaries will have better access to growing their vocabulary. This is also a tool that they will be able to use to help improve reading scores with their standardized tests.

- If a cooperating organization was involved, what was its role?**

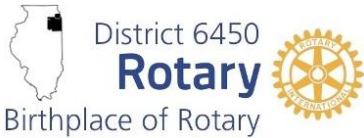

We worked with Valley View School District 365U to identify the number of 3<sup>rd</sup> graders that would need dictionaries. They also helped coordinate with the teachers the appropriate time to drop off the dictionaries.

- How did you share the news of your project?**

We posted on social media platforms as well as in our monthly newsletter.
