Re: DDF grant

Don:

Per our conversation of earlier today, the St. Paul Rotary Club wishes to pledge \$500 of our share of this year's District Designated Funds to support the Alliance Club's Guatemala fish farm project, also known as Grant P-223.

If you have any questions, please give me a call at 308-754-4488.

Sincerely,

Michael L. Horn
President
