Hi Debra,

Thank you for contacting me and sorry for the late response. I am currently in Germany completing an internship and am just now getting things in order for next semester. I am still planning on going to college for the next year!

Attached below are screenshots of my transcript from last semester and a list of the classes I am taking in the fall as well as my billing statement, but I haven't paid tuition yet, so I will attach the receipt to this email thread once I have.

Thank you and please extend my gratitude to the rest of district 5400 - I really appreciate this scholarship, it helps a lot!

Thank you,
Addie White

 - a. Your receipt of payment (for either tuition or books) from the college or university that you will be attending.
 - b. Documentation which proves that you will be attending full-time (your course schedule or other pertinent information).
