

District Grant Final Report 2018-2019

This report must be completed and uploaded on matchinggrants.org within 30 days after completion of the project but no later than 2 years after the date of approval of the project.

District Grant # 2269

Rotary Club: Cheyenne Rotary After Hours

Project Title: 2nd Grade Literacy Project

Project Description:

For the second consecutive year in a row, Cheyenne Rotary After Hours, will distribute (this will be completed the first week in June 2019 before the school year ends) books about the 4-Way Test called "Andy and Elmer's Apple Dumpling Adventure" to second graders in parts of Laramie County (WY) School District #1. Our club is concentrating efforts on the southern triad of the school district. Rotarians from the club go into the 2nd-grade classrooms and go through the 4-Way Test and ask students to participate. For example, by asking them, "What does the truth mean?" All of the students receive a paper-back coloring/workbook/reading book, the teacher receives classroom books, and the school's library receives a hard-back copy of the book as well.

This project is two-fold in that it encourages literacy and makes it fun, and is a way to engage the students to think about and how to implement the four principles of the 4-Way test.

1. How many Rotarians participated in this project? 8
2. What did they do? Please give at least two examples.
