

District Grant Final Report D5495

for District Grants completed in Rotary year 2018-19

Due April 30, 2019. Please type all answers. Sign, scan and upload to the project website with accompanying receipts: www.matchinggrants.org

Project Number: P2293

Rotary Club: Rotary Club of Mesa

Project title: Lincoln Elementary Literacy Project

Project Description. What was done in 110 words or less?

Worked with school staff to purchase and equip the Media Center with age appropriate STEM teaching materials, including 3 D printing equipment and supplies. Also provided with the grant were collateral materials students could study and practice lessons learned with the STEM curricula.

When (dates) and where (city and state) did the project take place?

Project began in August of 2018 and continues through April

Who were the beneficiaries?

Primary beneficiaries were 720 students in grades 1-6 as they were introduced to STEM curricula.

How many Rotarians participated in this project?

Over 45 Rotarians participated in 4 projects and 8 Russian Rotarians on a Peace Exchange visited

What did the Rotarians do? Give at least two examples.

Several Rotarians participated in STEM education night introducing parents to the donated equipment and letting students use the equipment for the first time.

Members also worked with staff on the equipment to resolve technical issues after installation. 6 Rotarians participated in an evening program to enhance literacy on technical subjects.

How many non-Rotarians benefited from this project?

All students had instructional time with STEM curricula and materials supplied by this grant.

If a cooperating organization was used, what was its role?

Mesa Public Schools staff and students from ASU Polytechnic Campus assisted in the implementation and ongoing programming of STEM curriculum.
