Rotary Club of Naperville

District Grant # P-2294

Project Title: Club Sponsored Scholarship

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
This Club Sponsored Scholarship was awarded to Akshay Punukollu to partially cover his tuition at the University of Illinois. As a high school student, he demonstrated academic excellence and was involved in worthy community service. His freshman year started at the University in the Fall of 2017.
- How many Rotarians participated in the project? **Seven**
- What did they do? Please give at least 2 examples.
Our Club's Scholarship Committee sent application forms and written information to the local high schools for dissemination to graduating seniors. After receipt of numerous applications, the Committee reviewed them, and made their selection. Then the Committee invited individual scholarship recipients along with their parents, school faculty, and administrators to our Club's Scholarship Breakfast. Akshay and other scholarship winners were invited to speak at that breakfast, pictures were taken, and press releases were created advising the community of the awards.
- How many non-Rotarians benefitted from this project? **One**
- What are the expected long-term community impacts of the project?
We anticipate Akshay will benefit from this University higher education experience, which will lead to increasing his future involvement in service to our local community.
- If a cooperating organization was involved, what was its role? **University of Illinois and its faculty educating this talented young man.**
- How did you share the news of your project? **This scholarship was presented during a special Rotary Club breakfast meeting, which was followed by press releases.**
