Rotary Club: Sun Lakes Rotary Club

Project title: **3rd Grade Dictionary Project**

---

Project Description. What was done in 110 words or less?

Our club worked with the Chandler Unified School District to distribute just over 4000 dictionaries to the third grade students. For too many of these students it was the first book they have ever be given. The teachers then incorporate usage of the dictionary on a daily basis throughout the school year. In partnership with other clubs and organizations we worked to get a dictionary into the hands of every 3rd grade student in the Chandler Unified School District

When (dates) and where (city and state) did the project take place?

Books were distributed during the month of October 2018 at multiple elementary schools

Who were the beneficiaries?

3rd grade students and teachers within the Chandler Unified School District

How many Rotarians participated in this project?

45

What did the Rotarians do? Give at least two examples.

The dictionaries were delivered to Hamilton High School. Then we had a sticker party (where we applied "Rotary" stickers to each dictionary. Then the dictionaries were allocated out based upon the student population at the various elementary schools within the district. Delivering the dictionaries was coordinated with each school and lasted about three weeks. Each team had one elementary school to handle. The in-school time consisted of meeting with the staff, distributing the books and briefly telling the students about Rotary and how to use the dictionaries. In most of the classrooms the dictionaries are utilized on a daily basis as part of the curriculum.

How many non-Rotarians benefited from this project?

4000+

If a cooperating organization was used, what was it's role?

Chandler Unified School District was the host and beneficiary.
