Dear Rotary Club of Burkburnett,

My name is Katie Ford and I am the Executive Director of the Burkburnett Boys & Girls Club. We are a non-profit youth development facility that focuses on the positive growth of our community's youth through leadership programs, healthy life-styles programs, youth sports leagues, and by stressing the importance of academic success.

We are wanting to thank you for your donation that allowed us to purchase a large shade structure to go over our current playground equipment. This allows our youth members to play on the playground equipment for an extended time, as well as UV Ray protection. Without the support of the Rotary Club we would not have been able to provide our youth members with this luxury.

On 10/9/2018 The Rotary Club of Burkburnett presented us with a check in the amount of \$5,130.00. We have purchased the equipment and installed the poles, but we are currently awaiting the correct parts from the manufacturer before we can finish the installation.

The Burkburnett Boys & Girls Club is grateful for your donation and help on this venture.

Sincerely,

Katie Ford
