Grant Amount: \$1,000.00

Project Title: Emcee Skool Pilot Graduation and Outreach Program

Peace Partner: L.Y.R.I.C. Mentoring/Firehouse Community Art Center

Project Report: *(Please provide a synopsis of the project activities)*

The EmceeSkool Pilot Project was a first attempt, with little to no funding, to identify, recruit, train and present community youth to serve as Peace Ambassadors through the use of the Spoken Word art form to inspire other youth to redirect their energies to positive activities and help produce a Culture of Peace throughout the city. This project is to support the culmination of the Pilot, by helping to provide a venue for the Peace Ambassadors to demonstrate the skills they have been developing and to bring in more young people into the fold to begin their journey to becoming Peace Ambassadors as well.

The Graduation and Recruitment event was held on Wednesday, September 12th, 2018 at The Promontory, a well-known performance and arts space in Chicago's Hyde Park community (5311 S. Lake Park Ave.) from 7 - 10 pm. Rotarians from our Club and others assisted in pre-event organizing and event-day logistics and support. We also had an opportunity to speak at the event, to highlight Rotary's role and commitment to helping build Peace.

How many non-Rotarians benefitted? 100

Rotarians participated in this project by providing logistical support to get some of the many tasks completed to have the event be a success, such as securing a graphic designer, assisting with printing logistics and providing support with presentations and awards. The day-of, Rotarians attended the event in support of the project and spoke with community members, community partners (particularly the theater group known as Collaboration) and Past District Governor Osei spoke at the event to highlight Rotary's commitment
Peacebuilding through grassroots movements and arts development.
