Subject: Juarez Home Panels Project

Ted, Collin and I are happy to be able to assist in framing and preparing another Juarez home project. Thank you and The Rotary Club for once again giving us the opportunity to have our students learn and be involved in such a cool project.

We have obtained the framing materials from Mawson Lumber and have already had it delivered on account so the students to get started as soon as possible. The non-tax final cost for the materials is \$1,236.74 (one thousand two hundred and thirty six dollars and 74 cents).

Since the Rotary club has so generously offered to buy the materials please make out the reimbursement check to Colorado Early College Fort Collins, 4424 Innovation Drive Fort Collins Colorado. 80525

Thanks again for the opportunity to participate in this project.

Sincerely
Rob Huffsmith
