Dear Dr. Farrar-Myers,

I would like to thank you and the Downtown Rotary Club for pledging to make a charitable contribution of \$3,900 to the City of Arlington Parks and Recreation Department. Your gift will be used to support the City of Arlington's Summer Camp DREAM program. This summer camp is aimed at Arlington youth, ages 5-12 whose families are in transition. Campers enjoy games, crafts, swimming, field trips, and much more.

The cost of camp is \$75 per week. It is an 11-week program which will provide 4 deserving children with the Arlington camp experience totaling \$3,300. If for any reason the child is unable to attend the complete 11-weeks, then the funds will be re-allocated to other children. Your remaining gift of \$600 may be used to provide partial tuition to additional children with your approval.

Summer camps have an ever-growing impact in our community as a source of safe workday supervision. These funds target families who generally are unable to financially afford the fees for such a program. Your Club's support is immeasurable; we look forward to receiving the Rotary's contribution.

Sincerely,

Lemuel Randolph
Director of Parks and Recreation
