Project Title ___Dictionary Project_____

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
We coordinated with a local school district that serves low-income students. We worked with the Superintendent to identify the number of dictionaries needed and which grade level. It was determined that the third grade students were in need of dictionaries.
- How many Rotarians participated in the project?
Our entire club was involved in the project. We did have one Rotarian be the point person for the project and the President and Treasurer delivered the dictionaries
- What did they do? Please give at least 2 examples.
Garry coordinated with the school district. Wendy worked with Barnes & Noble and ordered the dictionaries. All Rotarians labeled the dictionaries. Jen Doede and Dennis Platipodis delivered the dictionaries.
- How many non-Rotarians benefitted from this project?
There were over 300 students who benefitted from the project.
- What are the expected long-term community impacts of the project?
We were able to make connections with a local school district in need. The students keep the dictionaries so they can use them throughout their educational years.
- If a cooperating organization was involved, what was its role?
Barnes & Noble was also involved and we purchased the dictionaries through them.
- How did you share the news of your project?
