Jerry Oliver and the members of Rotary 100,

Thank you so much for your partnership this past year on the Million Meals project! What an accomplishment! Rotarians from all over Arizona joined together to pack more than 1 million meals for starving children around the world. They packed meals at special Rotary events in Tempe, Phoenix, Prescott and Tucson. They also packed meals throughout the year at our Tempe Site.

Being true partners, the Rotary Clubs around the state also helped pay for the meals they packed. Donations from Rotary groups totaled \$118,246.57. Please see the attached spreadsheet for details. This total doesn't even include the various personal donations made by Rotarians when they volunteered with us.

Rotary 100 and the Million Meals project was our biggest success story in Arizona this past year. I hope our partnership will continue and that Rotary groups around the country follow your lead in making a huge difference in the lives of kids around the world.

You are my heroes,
