Re: Addendum to budget expenses

To Whom It May Concern:

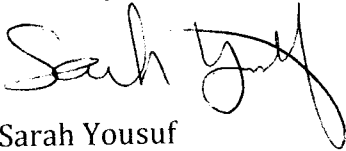

A portion of the allocated \$1000 given by Rotary was used to purchase food and crafts for additional peace events. Padres Angeles' mission is to promote peace in the community and they do this by hosting community gatherings, where they serve food, do crafts with the children, and have discussions around peace. The exact amount used for these events was \$45.20, which was left over from the Lighting for Peace event.

I have included the receipts from the purchases for these events, as well as photos of the peace events. Specifically, you will find the following receipts attached to the report:

- Coral Bakery, dated February 5, 2019, in the amount of \$19.01
- Aldi, dated February 7, 2019, in the amount of \$84.05
- Michael's, dated March 17, 2019, in the amount of \$74.02.

Please let me know if you have additional questions about these events.

Sincerely,

Sarah Yousuf
