Thank you for placing an order with Little Free Library!

We have received and are processing your order. Your order details are below.

Please note that your items may ship separately, and some items may arrive sooner than others. You will receive another email once we have finished processing your order.

Did you purchase a charter sign, and you'd like to know your charter number? You will need to wait until your charter sign arrives to learn your charter number, which will be engraved on the sign. Charter numbers cannot be provided in advance.

IMPORTANT: Please double-check your shipping address (listed below) to be sure it is correct. That is the address where we will ship your items. If an item is returned because you entered the wrong shipping address, you may be charged additional shipping costs to re-send your items.

If you have questions or concerns about your purchase, please contact us at customerservice@littlefreelibrary.org
