Note:

The Rotary Club of Homer-Kachemak Bay contributed \$1,000 to the KIVA project; the District's DDF matching grant was \$500. KIVA funding is all done on the internet, on KIVA's website. KIVA requires payments by Pay Pal (attached to credit, debit, checking accounts) or by credit card. Our club uses checks to make contributions. The check(s) are written to the Project Coordinator and he (Van Hawkins) uses Pay Pal to take the money he received and use it to pay KIVA. This is the receipt from Pay Pal showing they paid \$1,500 to KIVA.
