

In 2013, the Family Advocacy Network served 458 cases. Of those cases, 152 of the victims were under the age of 6 years, 179 were between the ages 7 and 12 years, 112 were ages 13 to 18 years, 11 were ages 19-34 and 4 were 35 years or older. Every child victim and siblings if they accompany the family to FAN is offered a snack and juice/water. We have been able to supply overnight bags to children that are going into foster care, the overnight bags include hygiene items, pullups/diapers (if needed). We have given out over 20 supply bags in the past 3 months to children in need.
