World Affairs Seminar Participants

Last January, **Dwight Snyder** suggested that the community might be well served if we could place an outdoor seating area at the East entrance of the Centum Health Building located at the NE corner of Riggs Rd and Alma School. His idea made sense, so **Peter Meade** applied for a District Grant from our Rotary District 5495 for the purpose of installing some benches. Once we received notice that the grant had been approved, Peter met with Tami Conradson from Centum Health Properties. She agreed that it was needed but that there wasn't a real budget set up for it. I mentioned that

we might be able to help with that if she could match our funding dollar for dollar as a community partner in making a good thing happen. Six weeks later we had the dedication of two 8ft long benches and a round picnic table with recognition on the benches that the Sun Lakes Rotary Club helped to make it happen. On Tuesday, August 20th, several members of the Club went to Centum Health Building to celebrate the successful "unveiling" along with **Peter Meade** and Tami Conradson.

WORK, WORK, WORK

Here is what some of our members do when they are away for the summer. **Bill Schink** helped the Woodinville (WA) Rotary Club serving as their Parade Master for a large local event. **Bill Giesing**, on the other hand, lay in the sun in Cabo San Lucas, Mexico.

Call-to-Order: **President Bill Crump**

Pledge: **Dave Anciaux**

Invocation: **Dave Anciaux**

SongMeister: **Bill Giessing — "Grand Old Flag"**

Phyliss Carr told us that Casteel High's Homecoming Football Game will be Friday, September 6th at 6pm. Once again, our Rotary Club will be honored with a VIP Package. A 14-passenger bus will be sent to Oakwood to carry those who want to be conferred to the game. **Dave Anciaux** said that if you want Rotary shirts, he will be placing an order this week. See him. **Gary Whiting** reported that 30 of the 33 Navajo homes have had water installed! **Janet Harkopf** is back in the fold. It is so good to see her!

Craig Gilbert was excited to announce that Janet will be heading our local public school's efforts to meet industry needs by opening up a four year dual enrollment cybersecurity program at the high school level. **Don Robins** said that AWIM will be resuming in September. **Roger Edmonds** advised that the annual Dictionary Sticker Party will be held at Hamilton High on Friday, October 4th at 8pm. He also said that he still needs three Dictionary presenters for three of the elementary schools. **President Bill Crump** urged all of us to help with the Splash — preparation and delivery. This is a significant fund raiser for the Club and ALL OF US need to contribute to its success.

Mary Alyce couldn't draw a card because the Pres. failed to bring the cards. Next week! There are still 47 cards (including the Joker) left!

A week ago, Walt Mills drew the winning ticket for someone else who had to leave early. He collected \$10 in that person's name (WHO?)

Lots of our folks had lots to say at the meeting! And here they are saying it!

The President's Own United States Marine Band

Oct 29, 2019, Tue 7:30pm -- Free

The President's Own United States Marine Band's mission is to perform for the President of the United States and the Commandant of the Marine Corps. Founded in 1798 by an Act of Congress, the Marine Band is America's oldest continuously active professional musical organization. This performance is part of its 2019 National Concert Tour, which begins in Seattle and ends in Las Vegas. The band only tours this region once every ten years. Conducted by Col. Jason K.

Fettig, the program will follow the traditional format of the band's legendary 17th director John Philip Sousa, and feature marches, orchestral transcriptions, virtuoso soloists, new works for winds, and patriotic selections.

This show is general admission with first come, first served seating. Tickets will be available through the box office, starting October 1, in person or over the phone.
