Dear Ms. Batchelor:

The McCall Rotary Foundation grant selection committee is thrilled to inform you that our request to support your program with additional Rotary District 5400 matching funds in the amount of \$4958.00. This brings the total funding from McCall Rotary and District 5400 to \$11,458 to support your program! As previously disclosed, our grant and matching grant are in support of your application for a DYNAMIQUE BI SKI(s). All terms and conditions of the grant as disclosed in our letter dated May 15th 2019 remain consistent.

In addition to the requirements previously disclosed, the grant offer is subject to your agreement to provide:

1. A copy of invoice(s) from purchase of skis - (need a copy for both skis purchased as the total has to equal the \$6500 from our club plus matching grant of \$4958)
2. Assorted photos of the equipment purchased (arrival, staff training to use it and being used by AWeSOMe participants - providing a complete picture of the project and it's impact)

Please coordinate with Eliza Barclay at [eliza.donnelly@mac.com](mailto:eliza.donnelly@mac.com) or 530-412-0552 for the above requirements.

The Rotary Club is pleased to support your organization's work in the community.

Sincerely,

MICHAEL A VINEYARD  
Chairman, McCall Rotary Foundation
