4. Provide a brief of lessons learned in implementing this grant and how this will improve future grant funded projects: (100 words or less) **We implemented the grant during the COVID-19 pandemic. Therefore, some of the items on the list were more difficult to obtain later on in the process such as disinfectant, toilet paper, disinfectant wipes. This was unforeseen, but we purchased more of other needed items and club members have indicated they will provide the supplies we couldn't obtain when they are available. We also learned RDAP serves many more clients in this area there was a much greater need than many club members were aware of so we must search out other areas of need in the community that might benefit from district grant funds.**
