Project Title: GWRC Dictionary Project

Rotary Club: Glendale West

---

Project Description. What was done in 110 words or less? Dictionaries were distributed by Club Members to all 3<sup>rd</sup> graders in the Glendale Elementary School District.

When (dates) and where (city and state) did the project take place? The dictionary distribution started in September, 2019 and was completed by November, 2019 to 14 Elementary Schools in Glendale.

Who were the beneficiaries? Nearly 1200 3<sup>rd</sup> graders in the Glendale Elementary School District, the vast majority of whom qualify for free or reduced school lunch given their socioeconomic status.

How many Rotarians participated in this project? 10 Club Members.

What did the Rotarians do? Give at least two examples. Club Members paired to deliver the dictionaries to at least two elementary schools together. Also, a Club Member coordinated with a School Principal (a former Club Member) to coordinate the purchase and delivery of the dictionaries to one school location; the School Principal then coordinated delivery of the number needed to each of the 12 schools. Rotarians were then able to coordinate directly w/each School Principal to determine the delivery date at each school.

How many non-Rotarians benefited from this project? ~1200 3<sup>rd</sup> graders in Glendale.

If a cooperating organization was used, what was its role? The project was done in coordination with the Glendale Elementary School District with Landmark School Principal Gina Schmitz co-managing the project with Club Member John Burk.
