## STARLINE ELEMENTARY IS SAFER THANKS TO A 6-FOOT SECURITY FENCE DONATED BY LAKE HAVASU SUNRISE ROTARY CLUB.

The Lake Havasu Sunrise Rotary Club has been raising money and donating to worthwhile causes around Lake Havasu City for more than 20 years. Their contributions to the community are too numerous to list. Their latest project involved construction of a security fence for the Starline Elementary School. A very generous donation from the club allowed local contractor Armor Fence and Masonry to construct a fence which allows school administrators much better control over who has access to the school. Providing better security for school children is just another example of fulfilling the club motto, Service Above Self. The Lake Havasu Sunrise Rotary Club meets Thursdays at 7:00am at Shugrue's.
