Project Name/Title: Tijuana Computer clinic

Project Leader Name: David Owens

Project Leader Email: david@owensinvestmentadvisors.com

Project Leader Phone: 760-277-5544

Brief Project Description:

A lack of available computer resources impairs education. The members of the club, in partnership with the tijuana rotary club, will source, setup, install and provide internet access for about ten computers in a computer lab at a local school. The school is named Escuela Secundario, General #20, Sor Juana Ines De La Cruz. It is located in the Francisco Zarco Area of town. We will also pay for one year of internet service.

1. Project Start and Ending Dates:

(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

7/01/2019, through 6/28/2020

2. Project Location: Community International

(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)

The project is at a middle school for under privileged kids in Tijuana. We will be partnering with the tijuana rotary club:

Rotary

District 5320

District Grant Application

3. Project Budget:

(Attach a complete project budget. List all revenues and expenses. These amounts must balance. If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

Club(s) Contribution	District DDF	Total
\$ 1000 _____	\$ 1000 _____	\$ 2000 _____

5. Participating Clubs:

(If other clubs will be participating in this project, list each club and its contribution.)

_____	\$ _____
_____	\$ _____
_____	\$ _____

6. Other Support:

(What other in-kind contributions, discounts or financial support are you getting for the project?)

Partnering with the Tijuana Rotary Club to identify the need, source the materials, and help install and set up the computers.

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

Monarch Beach Sunrise Rotary Club will assist to source the materials, and help install and set up the computers.

9. Who are the Beneficiaries:

(Who are you serving and how?)

The beneficiaries are the kids of the local, very underfunded school who will now have computers and internet access to learn and grow and supplement their education.

10. Lasting impacts on the community:
(Is the project sustainable?)

The kids of this school will have access to this lab for many years to come. The expected shelf life of the computers is at least 4 years. If at that point, an upgrade becomes feasible, all the supporting infrastructure will be in place and all that will be required is new computers.

11. Rotary Area of Focus: *(check all that apply)*

- Peace and Conflict Resolution
- Disease Prevention and Treatment
- Water and Sanitation
- Maternal and Child Health
- Basic Education and Literacy
- Economic and Community Development

12. Funds Stewardship:

(Describe how funds will be safeguarded and tracked. If funds are to be distributed to an international partner for purchase/use in another country, who will be responsible for the funds? How will transfers of funds to international partners be handled?)

Vendors will be paid directly from members and be reimbursed or the Rotary will pay directly. Since this is international, we will be leaning on our members to support the purchases in pesos where we have cash.

13. Publicity: *(How do you plan to publicize your project? Check all that apply)*

- Press Releases
- Local Newspapers
- Community Newsletters
- Magazines
- Ads
- Cable TV
- Social Media
- Banners & Flyers
- Speakers
- Partner Organizations
- Other (Please describe)
