San Juan Capistrano Rotarian's,

On behalf of the 1st Battalion 11th Marines Non-Profit Adoption Committee, I wanted to thank you so much for your very generous donation of \$1,500.00 to our committee for help with the Battalion Christmas Dinner and Celebration.

Our committee is very committed to helping our Single Marines and the Marine families. It can be very difficult for our families, as they often have loved ones deployed or getting ready for deployment and have to try to make things as "normal" as possible. Our goal is to help make that happen, and your donation will allow us to help "normal" be achieved.

Our entire committee and the families we serve of our 1/11 Marines are so grateful for your constant support. The love we feel from your "family" is given to our families with all of your support.

God Bless and Keep you and your families safe. We will continue to do our part for our Marine families, proudly with your generous support.

Gratefully,

Kathy Hooper

Chairperson

San Juan Capistrano 1/11 Non-Profit Adoption Committee
