Rotary Club: Denton Rotary Club #1779

Project Number: P-2961

Project Title: Denton Back to School Fair

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Denton Back to School Project is an annual community event to provide school supplies, health screenings, eye exams, haircuts, and community service information for the most economically vulnerable children in the Denton community and surrounding area. The Project is a collaboration of seven community organizations. The school supplies will be distributed through a drive-through system at local Denton Independent School District sites, patterned after the food distribution that has been occurring during the Covid-19 shelter-in-place situation.

2. How many Rotarians participated in the project?

To Be
Determined
July 25

3. What did they do? Please give at least two examples.

(a) Denton Rotary Club members supported the project through monetary donations and will volunteer along with invited area Rotarians to assist at the distribution site for the July event.

(b) The club President is a member of the Committee that helps plan, raise funds for, and execute the annual Back-to-School Fair.

(c) Club members are involved through their participation with many of the other partner agencies that support this program.

4: How many Noon-Rotarians participated in the project? To be Determined on July 25.

5. What are the expected long-term community impacts of the project?

Nearly 65,000 people in the Denton area live in poverty, and that number has increased with loss of employment during Covid-19 this year. The supplies that this grant provides will enable children to enter school with needed supplies and will decrease the burden of school expenses for families in need. The information about health and assistance services will inform families of resources available in our community for current and future needs.

6. If a cooperating organization was involved, what was its role?

The Denton Back to School Committee is composed of seven community organizations: Health Services of North Texas, Interfaith Ministries of Denton, the United Way of Denton County, the City of Denton, the Denton Police Department, First Denton, and Serve Denton. Organization representatives on that committee plan and coordinate the Back to School distribution event, raise donations, and secure volunteers for the supply distribution as well as other community resources that can provide information about additional assistance information.
