Dear Stan:

Thank you so much for your generous gift of \$3,500.00 to support our "Feeding San Diego's Kids" program.

By recent estimates, there are more than 18,000 children attending school in San Diego County who are homeless. During the week they receive meals at their school, but on weekends their ability to obtain the nutrition they need to grow, learn and thrive in school is uncertain.

Through IRT's program, these children and other needy children will receive a pack of nonperishable food items for themselves and their families for the weekend. Thanks to supporters like you, we have been able to expand this program to six schools.

We are so grateful for the ongoing support of our mission we have received from the Old Mission Rotary Club Foundation.

Sincerely,

A. Barry La Forgia
Executive Director

*Thank so much, Stan, for your
continued support!*
